FORMULA 1 SPORT

Nutritious Meal for Athletes and Supports Active Lifestyle

Formula 1 Sport fuel up your day with your pre-competition nourishment. It is a nutritious meal choice as it contains a range of nutrients including carbohydrate, fat, milk protein, vitamins and minerals. Formula 1 Sports established a solid foundation to your daily diet while being easy to consume.

- 9.1g of milk protein, which helps build and repair body tissues. Protein also provides amino acids necessary for protein synthesis
- 8.8g of carbohydrate blend per serving
- Riboflavin and niacin for the release of energy from carbohydrate, fat and protein
- Contains 850mg of L-Glutamine
- Contains 14 vitamins & minerals
- Vanilla Cream flavour
- Prohibited substance tested

Directions: Gently shake the canister prior to each use as contents may settle. Blend or stir 2 scoops (26g) of Formula 1 Sport with 250ml of water or nonfat milk. Create your own Formula 1 Sport recipes by mixing with fresh fruit and ice.
